Gather tutorial

Gather – Movement and Interaction

- Use  to move.
- Press X to interact with objects and people.
- Press and hold G to enter the ghost mode if you are blocked by other people.
- Click on  → User to get to your personal settings (camera, microphone etc.)
 - By clicking on **respawn** you will get back here and be able to **see this tutorial again**.
- Keep an eye on the chat  for announcements.
- You can edit your avatar by clicking on its picture on the bottom.
- Use  to locate yourself on the map.
- Right-hand click on other listed users under participants  on the left to locate or follow them.
- Our team members wear blue hats and carry CEHC-Team in their status.
Feel free to approach them, if you have any questions or need support.
- If you want to have your avatars name changed, please approach us.

Poster Session

- Press X to access the poster next to you.
- Step on the darker floor around a poster wall  to enter a private space for communication and discussion with the author.
- Stand directly next to the darker tiles to see the poster without entering the private space.
- Light blue areas  are private spaces for general chats with other users.
- Please be aware that some posters will have a longer loading time than others. You might have to stand next to them a little longer to be able to see them.
- Use the ping feature  on the right to highlight/point on a poster by clicking on them.
- Use  and  for zooming.

Lounges

- Rugs and darker floor tiles mark private spaces for you to network with each other.
- Press X at certain tables  to play online games together.
